

Living on a Dynamic Coast

Whanganui

10-12 March 2021

- *Presentations on coastal issues of national, regional and local significance*
- *Field trips to Whanganui, Manawatū and South Taranaki*
- *Project updates by researchers and community groups*
- *Preceded by a free training day on dune and estuary dynamics and management on 9 March*

A chance to share experiences with others who work on the restoration of coasts around the country
